

Elena Gilbert

M.Sc. Environmental Engineering

PERSONAL INFORMATION

Full Name:	Elena Gilbert
Gender:	Female
Date of Birth:	1996-03-15
Nationality:	Italian
Email:	elena.gilbert111999@gmail.com
Phone:	+49 17099881234
LinkedIn:	https://linkedin.com/in/elena-gilbert
Website:	https://elena-gilbert.dev

ADDRESS

Street:	Blumenweg 3
City:	Garching bei Muenchen
Postal Code:	85748
Country:	Germany

SUMMARY

M.Sc. in Computer Science with a focus on Software Engineering and Human-Computer Interaction. Experienced in developing large-scale web applications and integrating GenAI solutions to enhance user engagement. Proven track record in empirical research and learning analytics.

WORK EXPERIENCE

Working Student in Cybersecurity	09/2018 - 09/2020
<i>Airbus Defence and Space - Munich</i>	
- Developed and integrated security protocols that resulted in a 25% reduction in cyberattacks. - Conducted cybersecurity best practices training that improved employee competence by 50%.	

EDUCATION

Master of Science	2022
<i>Technical University of Munich</i>	
Degree: Human-Computer Interaction	
Grade: 1.3	

User-Centered Design for EdTech: Specialized in designing intuitive interfaces for complex educational software, focusing on reducing cognitive load in digital learning environments.

Bachelor of Science

2018

Politecnico di Milano

Degree: Computer Science

Grade: 105/110

Collaborative Development: Extensive experience in team-based software projects using Git, Agile methodologies, and CI/CD pipelines.

SKILLS

Full Stack Development, LLM Integration, Neural Networks, Learning Analytics, User Studies

LANGUAGES

Italian - Native | English - Expert | German - Advanced
